

Announcement and invitation to present a paper

## 10<sup>th</sup> EUROPEAN LS-DYNA CONFERENCE

---

15 - 17 JUNE 2015 – WÜRZBURG, GERMANY

Courtesy of Daimler AG

## Call for papers

We kindly invite all users of LS-DYNA, LS-OPT, and LS-TaSC to take advantage of this fantastic opportunity to showcase their work. The Conference is your chance to talk with industry experts, catch up with colleagues and enjoy time exploring new ideas.

In addition, attendees can meet with exhibitors to learn about the latest hardware and software trends as well as additional services relating to the finite element solver LS-DYNA, the optimization codes LS-OPT and LS-TaSC, and the pre- and postprocessor LS-PrePost.

Make sure that you will be part of the conference by submitting your abstract soon!

## The conference

### Attending

Come and listen to presentations from LS-DYNA developers, industry users and academia to learn more about the software and its applications.

### Presenting

Communicate your work with international colleagues to stimulate discussion and share knowledge.

### Exhibiting and sponsoring

We encourage hardware and software suppliers, consultancies and those offering LS-DYNA related services to exhibit or sponsor the conference.

### Training

Training courses will take place in the week before, during and after the conference.

## Venue

Würzburg is a beautiful historical city and a UNESCO World Cultural Heritage site, which is easily accessible from Frankfurt International Airport.

The Congress Centrum/Maritim Hotel Würzburg is centrally located directly on the banks of the river Main, offering a splendid view of the Marienberg fortress.

Visitors can comfortably explore the baroque inner city with its numerous sights by foot. If you have more time to spend, you may visit the Romantic Road, which starts in Würzburg.
